Address:

123 North 2nd Ave, 2nd Street, Alpena

Price:

250.00 \$

MOVING SOON.

Barely used, 6 month, fully assembled 'Sunny Health & Fitness Advanced Programmed Elliptical Machine Trainer with Electromagnetic Resistance' for sale, for \$250. No visual or interior damage to the machine. There is an audible squeak when using it, as is very common with this model. If you buy it new, understand that it is delivered completely unassembled. Took me about 4 hours of laborious work putting it together. Works really nicely but my husband and I are moving right next to a gym so we don't need it anymore.

We live on 2nd street right by The Fresh Palate and ask that you come pick it up.

We are leaving Alpena this Wednesday, the 9th, and if we don't have a buyer by then we will bring it with us and sell it at our new location, so get it while you can!

Used a default photo of the machine from online because there is no visible damage and the machine is currently in a sea of moving boxes.
